WINE LIST

100% of our beverage list is proudly Australian - a celebration of the country's most dynamic producers and innovative distillers, from small family-owned estates to iconic, nationally recognised names. We place a strong focus on championing the work of female owners, winemakers, and viticulturists [fw].

The beauty of Australian wine lies in its foundation of innovation and resilience. Our winemakers are constantly adapting to changing climates, championing alternative varietals - without the constraints of tradition, offering a fresh, exciting perspective in the glass.

Our selection brings together established icons and emerging voices, reflecting a modern Australian identity: confident, curious, and constantly evolving. We invite you to explore this curated journey through our country's most exciting vineyards and vigneron.

We acknowledge the Gadigal people of the Eora Nation which surrounds us. We recognise their enduring connection to country and culture. We pay our respects to elders past, present and emerging. We extend that respect to traditional custodians across Australia, whose lands, waters, and skies nurture the produce we celebrate.

RIESLING

OFF DRY

Bright, juicy, and just a little bit sweet, this style of Riesling walks the perfect tightrope between sugar and zingy acidity. That touch of residual sugar isn’t just for fun - it lifts the fruit flavours, smooths out the tartness, and creates a beautifully balanced wine that’s refreshing, vibrant, and wildly food-friendly. It’s like sunshine in a glass, with just enough sweetness to keep you coming back for more.

OFF THE BEATEN VINE

BRIGHT & AROMATIC

A fresh chapter in Australian wine is unfolding, led by vibrant white varietals. Think the same friend group as Riesling and Sauvignon Blanc - stealing the spotlight with lifted aromatics, zesty acidity, and food-loving personalities. These emerging styles are thriving in diverse regions, from coastal vineyards to cool-climate hillsides, offering brightness, texture, and serious drinkability. They’re redefining what Australian white wine can be: expressive, refreshing, and full of personality.

OFF THE BEATEN VINE

RICH & TEXTURAL

For those who like a bit of depth in their glass, this group of emerging varietals - think textural cousins of Chardonnay are bringing weight, spice, and intrigue to the glass. Grown by creative hands in regions that let their complexity shine, these wines lean into richness and texture, combining stone fruit, florals, and savoury edges with expressive grip. They’re built for food, cool evenings, and anyone ready to explore beyond the usual.
